Crafted in FRANCE

In 1900, Waterman first gained notoriety at the Exposition Universelle in Paris, where it was awarded the Gold Medal of Excellence, the highest accolade available. This early recognition would see Waterman adopted by the French public as an iconic mark, a sentiment that continues today with all of our fine pens being made at our Center of Excellence in France.

Inspired by PARIS

Long affiliated with the Waterman brand, Paris has always been a source of inspiration. From its world-renowned museums to its prominent literary scene, our vision has always drawn from the city's rich culture for the written world. Our collections of Fine Writing instruments epitomize Parisian style, representing a timeless display of taste and self-assurance.

OPERA COLLECTION

~

The collection features a striking and intense black lacquered barrel, elegantly offset by a luxurious gold cap and trim. The stunning, gold-coated cap showcases an intricately engraved heritage pattern, inspired by the Man 100 Opera edition launched in 1985, which evokes the aesthetic, timeless beauty of French opera houses in all their ornate glory.
